WILSON'S EVERGREEN

This superb mixture has been standard for more than 35 years. Use it on your lawn this fall. It gives a fine stand of turf grasses quickly—and permanently.

WILSON'S SHADY-SPOT EVERGREEN

For shaded or partially shaded areas. A combination of fine, dwarf growing grasses found to thrive in shady places.

WILSON'S TERRACE LAWN SEED

The grasses used in this unusually fine formula produce long, spreading roots that withstand heavy rains, thrive in shallow soils and produce a green turf throughout the season. Terraces should be thickly seeded—2 pounds to 100 square feet—and should be patted down with a board, not rolled.

FALL FERTILIZERS

AGRINITE. A carefully processed animal product, high in organic nitrogen. It is not an animal manure or sewage by-product—it is clean and dry, with no offensive odor. Apply AGRINITE any time, but preferably in fall or early spring; 4 lbs. per 100 square

feet, 1,000 lbs. to 1,500 lbs. per acre. AGRINITE is now available in three convenient sizes—100, 50 and 25 lb. bags at \$4.45, \$2.50 and \$1.35 respectively.

BONE MEAL. The best fertilizer for bulbs. 5 lbs. 60c; 10 lbs. \$1.00; 25 lbs. \$2.25; 50 lbs. \$3.75; 100 lbs. \$7.00.

BOVUNG. A dehydrated cow manure. 5 lbs. 45c; 10 lbs. 75c; 25 lbs. \$1.25; 50 lbs. \$2.00; 100 lbs. \$4.00.

ADCO. A scientific preparation that turns old leaves and other garden litter to rich, odorless, weed-free manure. 5 lbs. \$1.00; 20 lbs. \$2.25.

AGRICO 6-10-4. For lawns, trees and shrubs. 5 lbs. 45c; 10 lbs. 80c; 25 lbs. \$1.60; 50 lbs. \$2.65; 100 lbs. \$4.75.

WILSON'S LAWN ENRICHER. A scientifically balanced fertilizer. Its high nitrogen content is derived from a number of ingredients, each releasing its quota at different periods of growth. The beneficial action of WILSON'S LAWN ENRICHER therefore is extended over the whole growing season, insuring luxuriant grass and reducing the menace of weeds. When top dressing lawns be sure to water in.

5 lbs. 60c; 10 lbs. \$1.00; 25 lbs. \$2.00; 50 lbs. \$3.50; 100 lbs. \$6.50.

VIGORO 5-10-5. For garden and lawns. 5 lbs. 50c; 10 lbs. 90c; 25 lbs. \$1.60; 50 lbs. \$2.65; 100 lbs. \$4.25.
